

# WomanSong

a community singing  
event for Stratford women

***Sunday***

***February 18 , 2024***

***2:00 - 3:30 PM***

**65 Oxford St, Stratford**

Treat your mind, body and soul to some vocal fun. Led by Evelyn Ward we gather to hum, chant and sing world music supporting woman's spirituality. Bring your voice and intention to self-care. You don't have to read music and there's not a lot of difficult harmony. We're not performing for anybody. Our hearts, the heart of our community and country need comfort, healing, beauty and courage. In song we come together as women to offer these to ourselves, one another and to the world around us. The power in music ripples out and sinks deeply.

Donation at door. Girls 12+ and babes in arms welcome.

Scent-free event.

Please park in designated visitor parking or on Oxford Street (south side).
